Re: Committee's response to FEC Request for Additional Information

Ms. Liljeroot:

In response to your Request for Additional Information, the Committee has taken the following corrective action:

- I. The committee has amended its Year End Report to adjust Column B figures for the Summary and Detailed Summary Pages. The discrepancy was due to the incorrect election cycle being selected during report submission.
- II. FEC Form 3Z-1: The Committee has attached form 3Z-1. The Committee's failure to attach form 3Z-1 was due to a software error, the form was not generated automatically at the close of the Year End Report.
- III. Discrepancies in Aggregate Totals: After reviewing subsequent reports for the correct aggregate totals of contributions made by the sources identified by the Commission, the committee has concluded that it is possible that the identified discrepancies are appearing due to the incorrect election cycle being selected. The Committee has corrected the election cycle and the aggregate totals have adjusted accordingly.
- IV. The terms of the loans owed by the committee with due dates of 11/29/2004, 02/27/2004 and 11/22/2005 are loans from the candidate's personal funds and have been renegotiated. The term for each loan has been extended to 12/31/2006.
